ORGANIZATION

of the City Government

Tuesday, March 28, 1933.

At ten o'clock in the forenoon of the above date, members-elect of the city council for the municipal year of 1933, and the members from the previous council, met for organization at the city council room agreeably to the provisions of the city charter.

The oath of office was administered to the Mayor-elect, Hon. Charles E. Carroll, by Harold E. Wescott, Esq., after which Mayor Carroll assumed the duties of his office. The oath of office was also administered to the following councilmen by Mr. Wescott.

Ward 1—George W. Tarlson

Ward 2—Thomas J. Guay

Ward 3—Howard W. Byse

Ward 4—George C. Stafford

Ward 5—Henry I. Burbank

Ward 6—Frank D. Sleeper

Prayer was then offered by the Rev. E. Jerome Johanson after which the Mayor delivered his inaugural address.

INAUGURAL ADDRESS

Members of the City Council, Ladies and Gentlemen:

It affords me great pleasure to represent you again as your Mayor and I wish to thank the citizens of Laconia for their confidence placed in me as shown by their splendid vote.

I shall endeavor to conduct the city affairs in the future as I have done in the past by trying to have your welfare at heart and I sincerely trust that with your co-operation and patience we may show some advancement during this trying period.

The past year 1932 we paid \$41,250.00 on the indebtedness making the total reduction of \$133,750 in the last three years without any Bond issues.

In my opinion property is assessed too high and last July I advised the Assessors to reduce values at least twenty percent.

This is an opportune time for property owners to make repairs and paint their buildings and by so doing it will benefit the unemployment situation.

During the coming year the meetings of the City Council will continue to be opened with prayer.

In concluding my address

May I ask you to be *kind* to the *aged*

To the *blind* and the *infirm*

And *lend* a *hand* to the *needy*

But *waste* no time on the *drones*.

Mr. Clerk: Let us proceed with the election of officers.

MUNICIPAL REGULATIONS

for payment of bills against the city

All bills against the city must be approved by the persons authorizing the charge; unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payment.

When bills are certified to as above, and left with the City Clerk not later than Thursday at 12 o'clock M., preceding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the Council, will be ready for payment on the following Wednesday, at the office of the City Treasurer.

Meetings of the committee on accounts and claims are held on Friday preceding the last Monday of each month at 7:30 P. M., at the City Clerk's Office.

CITY GOVERNMENT

LACONIA, N. H.

Inaugurated fourth Tuesday of March, yearly. Stated meetings: The last Monday of each month at 7:30 o'clock P. M., at city council room, 68 Pleasant Street.

RESOLUTIONS

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION tendering a discount on real estate taxes paid before August 5th, 1933.

Resolved by the City Council of the City of Laconia, as follows:

That the tax collector be authorized to receive deposits to apply towards the payment of taxes when taxes are assessed or payable.

Deposits made or taxes paid shall be subject to discounts as follows:

On or before April 5th.....	4%
On or before May 5th.....	3½%
On or before June 5th	3%
On or before July 5th	2½%
On or before August 5th.....	2%

Except that no discounts shall be made on poll taxes or bank stock.

Passed and approved March 28, 1933.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION authorizing temporary loans to an amount not exceeding Two Hundred Thousand Dollars in anticipation of the taxes of the present Municipal year.

Resolved by the City Council of the City of Laconia, as follows:

That for the purpose of meeting current expenses of the City, the City Treasurer be and hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$200,000.00, said loans being in the anticipation of the taxes of the present municipal year and hereby expressly made payable therefrom, and to give for such loan subject to the written approval of the Committee on Finance, notes of the City, each note to become due and payable within one year from its date and no such note shall be valid unless authenticated by the certificate of the National Shawmut Bank of Boston, Massachusetts. Said notes shall be signed by the Mayor and City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This resolution shall take effect upon its passage.

Passed and approved March 28, 1933.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION making appropriations for the year ending February 15, 1934.

Passed and approved July 13, 1933.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION raising money by taxation for the year ending February 15, 1934.

Resolved by the City Council of the City of Laconia, as follows:

That there shall be raised and there is ordered to be raised on the polls and estate liable to be taxed within said City the sum of four hundred and eleven thousand four hundred thirty-two and forty-six one hundredths (\$411,432.46) Dollars to defray the necessary expenses and charges of the city for the financial year ending February 15, 1934.

Passed and approved July 13, 1933.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION authorizing the appropriation of One Hundred Sixty-four Thousand Dollars for the purpose of erecting a Mechanic Arts High School Building and for the funding of said indebtedness by the issue of Municipal Bonds therefor.

Resolved by the City Council of the City of Laconia, as follows:

1. That the sum of One Hundred Sixty-four Thousand dollars be and hereby is appropriated for the purpose of erecting a Mechanic Arts High School building on land of the City on Union Avenue in said City of Lacona adjacent to the present High School building.

2. That the City of Laconia issue it's bonds to the amount of One Hundred Sixty-four Thousand Dollars for the purpose of defraying the expenses of erecting a Mechanic Arts High School building in accordance with the provisions of Chapter 59 of the Public Laws, as amended.

3. Said Bonds shall be serial bonds extending for a period of twenty years from the date of their issue for the sum of One Thousand Dollars each, or some multiple thereof, and shall be made payable to bearer with interest coupons attached, bearing interest at a rate not to exceed five percent per annum and an equal amount of said bonds shall be taken up annually from the date of their issue.

4. Application shall be made to the Federal Emergency Administration of Public Works, through the State Advisory Board under the National Industrial Recovery Act, for a grant and/or loan of One Hundred Sixty four Thousand (\$164,000.) Dollars.

5. The City hereby authorizes the issuance and sale to the United States or to any other purchaser or purchasers of not exceeding One Hundred Sixty-four Thousand (\$164,000) Dollars in the principal amount of bonds of the City of Laconia, or in case a grant is obtained from the Federal Government, such less amount of bonds as together with said grant shall not exceed One Hundred Sixty-four Thousand (\$164,000.) Dollars.

6. Said Bonds shall be payable in accordance with the laws of the State of New Hampshire, the date of issue,

the time and place of payment of principal and interest, the fixing of the rate of interest, the provision for the sale of said bonds and other matters in relation thereto shall be left to the discretion of the Mayor.

7. All contracts and agreements in connection with securing any grant and/ or loan, the application for which is authorized at this meeting are hereby fully authorized, ratified and approved.

8. The Mayor is hereby authorized to execute and deliver in the name of the City of Laconia all contracts and/or agreements, and to take all action necessary or incidental to carrying out the project authorized, and the issue and sale of bonds hereby authorized.

Passed and approved Dec. 11, 1933.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION authorizing the Mayor to execute a contract with the New Hampshire Highway Dept. relative to the maintenance of a certain highway in the City of Laconia.

Be it Resolved by the City Council of the City of Laconia, as follows:

The Mayor of the City of Laconia is hereby authorized to execute a contract with the New Hampshire Highway Department in regard to the maintenance of 0.640 miles of a municipal highway known as Union Avenue in said Laconia, from Stark Street to Bridge Street. Said contract

to provide that if the Highway Department will submit a project for the improvement of the aforementioned highway and will recommend it's approval by the Secretary of Agriculture for construction with funds apportioned to the State under the National Recovery Act, and if said project is approved and said road constructed by the Highway Department, the City of Laconia, will, at its own cost and expense, maintain said road in a manner satisfactory to said Highway Department and the Secretary of Agriculture, or their authorized representatives, and will make ample provision each year for its maintenance.

Passed and approved December 11, 1933.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

A RESOLUTION authorizing a return of all cuts and salaries to City employees from this date provided appropriations are not exceeded.

Resolved by the City Council of the City of Laconia, as follows:

In appreciation of the co-operation of City employees in all departments in submitting to a reduction in their wages and salaries during this depression, and because of the increase in salaries and wages generally throughout the Country and the increased cost of living, be it resolved by the City Council of Laconia, as follows:

Section 1.—That all City employees salaries or wages be increased from this date so that said wages or salaries will equal the respective amounts received by them before

the present salary and wage cuts took place, provided however, that said increases be taken so as not to increase the amount of individual or departmental appropriations voted by this Council.

Section 2.—It is strongly recommended that the next City Council so increase appropriations as to allow for the increases provided for in Section 1.

Passed and approved this 26th day of December, 1933.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-three:

AN ORDINANCE relating to the use of fire resisting roof covering.

Be it ordained by the City Council of the City of Laconia, as follows:

Section (1) No person, firm, or corporation, shall cover or recover the roof of any building within the fire zone of the City of Laconia unless fire resisting roof covering is used for that purpose.

Section (2) Penalty. Any person violating the provisions of this ordinance shall be punished by a fine not exceeding twenty dollars.

Section (3) This ordinance shall take effect upon its passage.

Passed and Approved July 31st, 1933.

CHARLES E. CARROLL,
Mayor.

1-1-1 dismisses grades 1-6.

1-1-1-1-1-1 dismisses all grades including the high school.

REPORT OF THE SCHOOL BOARD

To the Honorable Mayor and City Council:

To secure the best education in the public schools under the laws of the State of New Hampshire and within an appropriation granted by a body of city fathers is the duty of a school board in our City on the Lakes.

The members of the present Board have endeavored to fulfill this duty and have had the hearty and kind co-operation of all teachers and others in the exercise of their respective occupations connected with our schools. All have been mindful that the youth of today need special supervision for health, leisure time, or extra-curricula activities, as well as the instruction we of an older generation experienced.

Some changes were necessitated from the original budget submitted early in the city calendar year. While the system is not materially impaired and we shall be able to remain within the appropriation and income for the school year, we anticipate financial prosperity thus insuring pupils more attention through smaller classes.

There is still the same crowded condition at the high school which has been reported increasing each year. As a temporary measure a committee of teachers and the Superintendent have arranged a new schedule to be adopted the second semester, and by this the Auditorium will not be used for a study hall.

We appreciate your co-operation for the investigations and affirmative vote to apply to the Public Works Administration for a grant to aid in the construction of a Practical Arts building adjoining the present high school building. And we await with considerable interest the result of the application.

For two years we have been considering the needs and best means of providing relief for the over-crowded condition at the high school against the day when opportunity might appear. We believe that in the tentative plans submitted during the fall of 1933, there is a building which should with the present building provide a plant worthy of the approval and support of all citizens who are interested in posterity.

The proposed building would contain work shops and laboratories for the mechanic arts department, all the home economics department, ample provision for the commercial department, which today is the most congested and has the least room of any department; and there would also be space for the cafeteria and for music. So, the elimination of noises, vibrations, and odors in the present building would be a great improvement for interesting recitation periods and quiet study periods. Then, the present auditorium can be increased to a thousand seating capacity by the removal of the folding partitions.

With the present gymnasium used exclusively for girls and the gymnasium in the proposed building for boys greater advantages would be provided for classes in physical education, benefitting more pupils than the time allows now when the one floor must be used by both instructors for class work and in training their teams for competitive matches.

Then, the new gymnasium with a seating capacity of approximately 700 and provision whereby class room corridors could be closed, much of the police duty necessary today could be dispensed with.

Yes, there will be additional expense in a proportionate degree as the school family is larger. But unless our city grows beyond what we can ordinarily conceive, I do not believe the maintenance will be excessive. The system needs a few more teachers for the benefit of the pupils, and

our headmaster is amply qualified to manage the well organized departments and pupils.

The two buildings would be connected by a tunnel and heated from a central plant. With the prospect of these improvements there is also a possibility that the old storehouse in back may go too, and the view over the athletic field to those beautiful pines on the embankment will be undisturbed. It is most gratifying to know that the CWA project on Butler Street calls for a drain and retaining wall that will improve the north side of the athletic field.

This has been a very icy winter, and I should like to convey through this medium our appreciation to the Board of Public Works for delivering sand to the different buildings to use on the school walks.

We recommend to all citizens the careful study of the financial statement and report, especially due consideration of Table No. 4, and the citation of probable expense for repairs the coming year; as prepared by our agent, Superintendent John S. Gilman.

In behalf of the School Board of Laconia.

(signed) Mertie C. Lougee,
Chairman

FINANCIAL STATEMENT

Year Ending June 30, 1933

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Laconia:

Particular attention is called to Table No. 1, which shows the average membership in the public schools since the school system was organized on the 6-6 plan in 1923. If every parent and tax payer in the city would study this table without any doubt the false rumors such as "there are no more pupils in our schools than there were ten years ago" would cease.

Table No. 1.

AVERAGE MEMBERSHIP

Years	Grades 1-6	7-8	9-12	Totals
1923-1924	750	197	358	1305
1924-1925	807	216	302	1325
1925-1926	853	219	320	1392
1926-1927	869	247	315	1431

1927-1928	863	270	336	1469
1928-1929	882	285	346	1513
1929-1930	877	285	364	1526
1930-1931	870	285	424	1579
1931-1932	903	324	480	1707
1932-1933	893	318	580	1791

During these ten years there was an increase in membership of 486, or 37%. The increase in the elementary schools was less than 20%, while the gain in the six years of the high school was 343 pupils or 62%.

The increase of approximately 20% in the elementary schools and of more than 60% in the high school shows

1. That the growth of the grades was probably about the same as the growth in the population of the city.
2. That more boys and girls are entering high school.
3. That boys and girls are staying in high school longer.

The increase and retention of pupils in the high school are due to three factors:

1. Pupils are attracted by the practical arts courses.
2. The desire on the part of boys and girls, and of their parents, to secure a complete high school education or as much of the high school course as possible.
3. Decrease of employment for children.

In all probability there will not be any increased enrollment in the elementary schools unless there is a considerable growth in the city's population.

Theoretically, if all boys and girls in the city sought the advantages of a high school education, the enrollment in grades 9 to 12 should be 50% of the entire enrollment

in the first eight grades of all the grade schools, both public and parochial, of the city; while such a situation will never come, yet it is being approached year by year, as more boys and girls continue their education into and through the high school.

Table No. 2.

DATA FOR SCHOOL YEAR ENDING JUNE 30, 1933

	Grades 1-6	7-8	9-12	Even. Sch.	Total
Different pupils enrolled	940	337	626	201	2104
Average membership	893	318	580		1791
Cases of tardiness	311	233	551		1095
Pupils not absent or tardy	66	22	50		138
Tuition pupils	42	39	66		147

Comparison of these statistics with those for the preceding year reveals

1. A slight decrease in the enrollment in the elementary schools and in grades 7 and 8.

2. An increase of 108 in the enrollment in grades 9 to 12.

3. An increase of 59 in last year's evening school classes.

4. A decrease in tardinesses.

Parents are urged to co-operate with the teachers in their efforts to do away with unnecessary tardinesses. Habits of punctuality can be formed only by such a co-operation, and when once formed are likely to become life habits.

Table No. 3-A

Table No. 3-B

JANUARY 1934

HIGH SCHOOL ENROLLMENT AND MEMBERSHIP

	Registration			Left	In
	boys	girls	Total	School	School
Seniors	57	53	110	3	107
Juniors	66	62	128	10	118
Sophomores	91	100	191	7	184
Freshmen	107	106	213	10	203
Eighth Grade	101	89	190	8	182
Seventh Grade	85	75	160	9	151
Post Graduates	2	6	6	1	5
	<hr/> 510	<hr/> 490	<hr/> 1000	<hr/> 49	<hr/> 951

One year ago there were 900 pupils in the elementary schools. There were at that time 28 teachers. This year there are 27 teachers and the average number of pupils for each teacher is 33.

Since January of last year, the enrollment in the high school has increased from 950 to 1000 and the membership has increased from 911 to 951. There are 33 on the high school teaching staff this year, while there were 34 last year.

If the school year 1925-1926 may be considered a normal year, comparison should be of interest.

Table No. 4.

	1925-1926	1932-1933
1. Average membership	1392	1791
2. Current costs of schools	\$120,068.87	\$111,428.73
3. Average cost per pupil	86.26	62.22
4. Average cost per pupil for Teachers' salaries	56.76	43.88
5. Average cost per pupil for books and supplies	3.96	2.49
6. Average number of pupils per teacher		
Grades 1-6	30	31
Grades 7-8	31	29
Grades 9-12	15	23

The average number of pupils per teacher in the junior and senior high schools in New Hampshire last year was 18. In Laconia last year this average was 26. This year it will be considerably larger, as there is one less teacher and 50 more pupils.

The Laconia teachers are carrying heavier pupil loads, many of them under decidedly unfavorable working conditions, at lowered salaries, than they were in 1926.

Economy should be practiced, and it always has been in the schools of Laconia, yet if it is carried too far it becomes "false economy" and lowered standards result.

The people of Laconia who have a real interest in the welfare of the schools should, and probably do, realize that the efficiency of the schools cannot be maintained with constantly increasing numbers of pupils and decreasing expenditures.

THE ELEMENTARY SCHOOLS

If twenty-five pupils may be taken as the number in the elementary schools with which a teacher can do the most

efficient work and 35 in one grade as the maximum number for anywhere near efficient work, it can readily be seen that several of the elementary teachers have too many pupils for any amount of individual attention.

ACADEMY STREET

First grade membership	38
First and second grades	36
Second grade	39
Third grade	31
Third grade	30
Fourth grade	38

Owing to the increased number in the fourth grade it was necessary to transfer some of this grade to Batchelder Street. It will be necessary probably to open another room in this building next year or to transfer all of the fourth grade to Batchelder Street and open another room in that building.

It will soon be necessary to make thorough repairs on the roof of this building as it has been giving considerable trouble for some time.

BATCHELDER STREET

Fourth and Fifth grades	34
Fifth grade	42
Sixth grade	43

If another school is to be opened the room should be painted and a few other repairs should be made around the building. The yard was greatly improved by filling in and levelling the area around the pine trees. The playground can be further improved by developing the land on the lot acquired by the city a few years ago.

GILFORD AVENUE

First and Second	36
Third and Fourth grades	40
Fifth and Sixth grades	38

Here each teacher has two grades and a large number of pupils.

Considerable painting and freshening are needed. The play ground should be improved as has been recommended in former reports.

HARVARD STREET

First and Second grades	30
Second and Third grades	31
Third and Fourth grades	33
Fifth grade	33
Sixth grade	31

Miss Shirley Dow who had taught in the first grade for seventeen years resigned last summer. This is the only change in the elementary schools from last year.

Most efficient results cannot be secured in this building until the unused room is re-opened.

MECHANIC STREET

First grade	27
Second grade	27
Third grade	38
Fourth grade	33
Fifth grade	27
Sixth grade	30

The number of pupils in this school remains fairly constant and there is need of all of the school rooms.

The play ground could be greatly improved by re-grading the lot in the rear of the building. Considerable repairing should be done about the building.

WASHINGTON STREET

First and Second grades	39
Third and Fourth grades	36
Fifth and Sixth grades	25

Owing to the decreased numbers in this building and the necessity for reducing expenses wherever possible if the full school year was to be maintained, it became necessary to put two grades in each room.

Miss Atwood was transferred from the first grade to Harvard Street. This should not be a permanent arrangement for another teacher will be needed at this building as both the fifth and sixth grades are small this year.

THE WEIRS SCHOOL

First grade	3	Second	3
Third	1	Fourth	2
Fifth	4	Sixth	3

This is the 29th year that Mrs. George has taught in this building and her influence has thus extended into the second generation in some instances.

It will be necessary to re-cover the roof of this building next summer.

The work of the elementary schools, both in the fundamental subjects and in music and drawing, is well done and satisfactory results are secured.

THE HIGH SCHOOL

Five new teachers began work in the fall: Miss Bujniewicz, French and History; Mr. Hobson, Applied Mathematics and Coaching; Mr. Kinney, Biology, Commercial Geography, and Coaching; Miss McCrillis, Arithmetic, Stenography, and Typewriting; Mr. Spencer, Bookkeeping, and Commercial Geography.

Miss Marston, who had taught History for several years, resigned in December and her place was taken by Miss Park.

Several of the teachers are carrying altogether too heavy pupil loads. At least two teachers should be added to the staff next year.

In spite of the extra burdens that most of the teachers are carrying, they have devoted themselves wholeheartedly and without complaint to their work and their spirit of co-operation has been praiseworthy.

During the last five years the State Department of Education has conducted scholarship contests at the Keene and Plymouth Normal Schools. There are nearly one hundred high schools in the state and each school may enter three teams of three students each in a wide variety of subjects.

In 1929 Laconia High School won first place in English Grammar and second place in Home Economics and Mechanic Arts.

In 1930, first place in United States History and second place in Spelling and Mechanic Arts.

In 1931, first place in Mechanic Arts.

In 1932, first place in English Grammar and third in U. S. History, with a tie for third place with two other schools in Home Economics.

In 1933, first place in Home Economics and second place in French.

This record shows five first places, five second places, one third place and a tie for third place or twelve out of fifteen possible places.

During the last ten years the number of graduates has been:

1924	46	1929	73
1925	40	1930	46
1926	48	1931	64
1927	48	1932	74
1928	45	1933	78

The following table shows the number in the last five graduating classes who have entered post-secondary institutions

No. of Graduates		Colleges	Normal		Commercial
			School	Hospitals	College
1929	73	23	6	3	6
1930	46	12	5	5	3
1931	64	20	9	7	3
1932	74	15	7	3	4
1933	78	18	4	8	1

Of the 48 graduates in the class of 1926, 13 went to college, 8 entered normal schools, 4 trained for nursing, 2 entered commercial colleges.

As the number of graduates increases the percentage of graduates entering post-secondary institutions is lower; consequently, it is necessary to give thought to the courses of study to find out if the high school is meeting the needs of changing conditions.

A high school in a city like Laconia should provide opportunity for a thorough preparation for the college or other post-secondary institution of the graduate's choice.

It should also give the best possible training to boys and girls in the practical arts courses, Commerce, Home Economics, and Mechanic Arts, who plan to enter these lines of work without further training.

But the biggest job of the modern high school concerns the majority of the boys and girls enrolled, many of whom will not complete the four years for various reasons, and most of whom have no definite plans after leaving school. This group for the most part will do the every day work of their community and need to understand there may be dignity in such work.

Their education should be so planned that they will be happy in doing their work. They need to be taught how to become useful citizens, how to use to advantage their leisure time; in short, how best to use their talents and how to make the most of what life has in store for them.

The community should be responsible for providing for each child the kind and amount of high school education that his ability and his needs warrant.

IN GENERAL

It is to be regretted that the evening school had to be given up this year, as there was a considerable demand for its continuance. An effort was made to start classes with CWA funds but it was impossible to find unemployed teachers who could teach commerce and mechanic arts for which the demand came.

The high school orchestra again won first place in the All-State contest last spring. The work of both the orchestra and the glee clubs has been very meritorious.

A pupil from the high school won first place in the prize speaking contest sponsored by the University of New Hampshire. In the poster contest sponsored by the State Federation of Woman's Clubs first prize was won for the second successive year by a senior girl.

Laconia High School was presented the Phi Kappa Phi Scholarship Award last year by the University of New Hampshire, given each year to the school whose graduates have the highest scholarship averages as Freshmen at the University.

The great weakness in the school system, as a whole, is the high percentage of failures in one or more subjects from year to year, due in a large measure to laziness and indifference on the part of too many pupils and to the failure on the part of many parents to co-operate with the teachers in requiring their boys and girls to do thoroughly the work assigned to them.

Parents are urged to familiarize themselves with conditions at school, with the work required of their children, and to co-operate in having this work done in the best manner the ability of the individual child warrants.

The health work in the schools is carried on efficiently through the co-operation of teachers, the school nurse, the medical fraternity, and the hospital. All members of the medical fraternity have been most co-operative and have given freely of their time and their services. Several organizations have generously paid necessary expenses. About two hundred fifty children are being supplied with milk at recess. This milk is paid for by funds received from the State.

Appreciation is also expressed to all other organizations and individuals who have contributed to the welfare of our boys and girls.

Respectfully submitted,

(signed) JOHN S. GILMAN,
Superintendent.

GRADUATING EXERCISES

The graduating exercises of the class of 1933 were held at the Laconia High School Auditorium, Monday, June 12th at 8 p. m.

LACONIA HOSPITAL REPORT

*To the Honorable Mayor and Members of the City Council
of Laconia:*

Another year has passed and we are again making our annual report and asking in behalf of the Laconia Hospital your co-operation and assistance in carrying forward this work. Its condition today needs your generous contributions as never before in its history. With a constant increase in the work to be done, we find its present quarters inadequate and it is impossible to care for many that seek and are in need of the services that a good hospital can render.

More room must soon be provided and we must depend on the city of Laconia to do all in their power to do in order that the work of our hospital may be continued.

It is our duty to care for the sick and suffering and to do it in the right way. We have today a well managed hospital. It stands in Class A and we want to keep it there and if possible make it better.

The reports of Miss L. G. Williams, superintendent and N. Joy Harriman, Treasurer follow this statement, and are worthy of the careful reading of all who are interested in the work of our hospital.

LACONIA HOSPITAL ASSOCIATION,
CHARLES H. HOPKINS, *President*
WILLIAM F. KNIGHT, *Secretary*
N. JOY HARRIMAN, *Treasurer*

In the records of the Laconia Hospital Association it is written as follows:

MEMORIAL PAGE
TO STANTON OWEN

We hereby set apart this page in our book of records to the memory of our beloved friend and associate

STANTON OWEN

We do this in grateful recognition and with a deep sense of appreciation for the life he lived in this community. We loved him as a friend we had complete confidence in his honesty and ability. We were guided by his advice that we often sought.

He was always ready to do his full share in every worthy effort that would in any way tend towards the improvement and upbuilding of our city.

The influence of such a noble life will live and bring rich benefits to the generations that are to follow us.

A wide circle of friends he knew and loved so well, will long cherish his memory and deeply mourn his departure.

REPORT OF SUPERINTENDENT OF THE LACONIA HOSPITAL

To the President and Board of Trustees:.

The past year has been a trying one, principally because of crowded conditions throughout the hospital. The adage of the old street car, "always room for one more", ceases to be a joke.

Every available space has been utilized, extra beds in wards and room on the third floor have been used. Patients having X-ray series or Metabolism test have used a room which was fitted up in basement.

We have encroached on Nurses Home by holding our clinics in class room and meetings of Staff, Trustees and Training School committee in their living room.

The purchasing of the Page property by the Trustees and prospects of building on this land, a larger and better appointed Nurses Home is most encouraging and cannot be realized too soon.

In June a complete new Diex X-ray and deep therapy machine was installed, requiring new lines and a 25 K. V. A. transformer. A portable x-ray for service to patients who cannot be brought to x-ray room was also purchased. Our Campbell Flourscope was entirely reconditioned. We now have a very modern x-ray department.

Necessary equipment has been added to our Laboratory enabling this department to give complete service for any type of Laboratory work.

A new Sanborn Metabolism outfit is giving splendid satisfaction.

The work in these departments has tripled itself during the last six months.

Last March, Dr. Melba Stewart of Lincoln, Nebraska joined our hospital family as resident Physician for these departments. Also the service of Technician and a student Nurse has been added.

Other changes in the Hospital Personnel have been that of Dietician-Housekeeper, the present one being a graduate of the New Hampshire State University.

Both the night Supervisor and the Supervisor on second floor are graduates of this school.

The Operating room Supervisor is a graduate of the New England Deaconess Hospital also was for three and one half years at the New England Baptist Hospital in Boston in same capacity she now holds.

The following new equipment was purchased for the Operating room:

McKesson motor driven suction and Ether Vapor machine.

Drummond Transfusion outfit, which from results obtained has proven its value.

A larger steam fitted Instrument Sterilizer. A hot and cold water tank with distill attached. The latter being paid for by the Hospital Aid.

Convenient cupboards in Nurses work room were built by Janitor, who also made a second Incubator for Nursery and a view box for x-ray room.

The usual painting and repairs in hospital have been necessary. The Nurses Home required repairs on Dormer windows and painting of outside woodwork.

On recommendation of Inspector of Elevator the cables were renewed.

We are delighted that a new approach to the hospital has been made a CWA project and that by Spring we may realize this long felt need.

In addition to the Prenatal and Orthopedic clinics held as last year, a diagnostic cancer clinic was organized by Dr. Charles Duncan of Concord, Secretary of State Board of Health. These are held monthly, four doctors on staff alternating in conducting same.

The monthly staff meetings have had an average attendance of a little better than seven. Aside from discussing the monthly Analysis of the hospital records, the doctors in rotation have provided clinical programs for each meeting, and matters pertaining to the good of the hospital have been considered.

Our doctors have been most generous in responding to our various requests for their services. Eight doctors have given courses of lectures to students, covering one hundred and thirty-six hours.

The Training School Committee have met practically every month to consider the interest of school of nursing.

In October a class of six students graduated.

The splendid banquet given at the Laconia Tavern for the graduates and hospital faculty was much appreciated and the enjoyable program and evening spent together will ever remain a pleasant memory. The following night the commencement exercises were held in the High School Auditorium. The address was given by the Hon. James N. Pringle, State Commissioner of Education.

Four of the graduating class have remained at the hospital doing general floor duty. Two groups of Preliminary students were admitted, in March and October. Our present enrollment of students is twenty-six. This past year we have been able to give students practical work in x-ray, laboratory and diet kitchen.

Our loyal supporters, the Hospital Aid, have earned over eight hundred dollars and paid for furnishing and supplies for the hospital to more than seven hundred and seventy-five dollars. In addition to this the hospital Bands have furnished the articles for which their Band was responsible and having had an average of forty-eight patients per day, this demand has greatly increased. It seems most fitting that we should pay tribute to Mrs. Dennis O'Shea, who was the originator of these Bands, and always manifested her interest in the hospital; her memory will ever linger with the history of the Bands.

The monthly meeting of Trustees have kept you in closer touch with hospital activities and your interest has been appreciated.

For the accomplishments of the past year I wish to share the credit of same with my co-workers.

Respectfully submitted,

LILLIAN G. WILLIAMS, Supt.

STATISTICAL REPORT

Number of patients admitted 1933	1759
Number of days' service given 1933	17,461
Average number of patients per day	48
Obstetrical cases	187
Total babies	172
Medical cases	391
Surgical cases	1349
Children, medical, 215; surgical 347; total	562
Number of operations performed	1349
Number of X-rays taken	1266
Number of X-ray treatments	48
Number of out patients	1479
Number of patients discharged	1771
Number of patients discharged well	1217
Number of patients discharged improved	152
Number of deaths	65
Number of state aid cases	98
Number of County cases	129
Number of City cases	27

REPORT OF BOARD OF HEALTH

To the Hon. Mayor and City Council:

The report of the Board of Health is herewith submitted for approval.

During the past year the work has been conducted along the usual lines and there have been no epidemics of contagious diseases, with only the average amount of contagious cases requiring quarantine.

The Board of Health would offer the following recommendations:

1. Establishment of a sewage disposal plant to replace the present method of disposal of sewage.
2. The appointment of a full time milk inspector at sufficient salary to allow for more adequate milk inspection.
3. The establishment of a city garbage incinerator.

E. J. GAGE, M. D., *Secretary.*

REPORT OF PUBLIC HEALTH NURSE

For year 1933

Number of visits made during year		2313
Medical	1491	
Surgical	585	
Maternity	84	
Prenatal	64	
Post Natae	23	
Home visits, (instructive)	66	
Recepts for city cases		\$26.25

REGIS N. LEAVITT, R. N.

REPORT OF THE MILK INSPECTOR

Milk inspection work in Laconia proceeded in 1933 as in former years. As much as possible was accomplished under the handicap of lack of time and up-to-date laboratory equipment.

This year as in former years more cooperation between health officials and milk producers would mean better results in milk inspection work and a better product for the consumer.

The primary purpose of the milk inspection work is to protect the consumer. A secondary object is to acquaint the dealers and producers with modern methods and conveniences in the producing and processing of milk for the consuming public.

Milk is a perishable product. Very little time elapses between production and consumption. Therefore, real adequate supervision of the production of milk in any city means year-round inspection.

Last fall the Rotary club gave the milk inspector opportunity to speak to its members about the work here in Laconia. There was much interest shown in the report given.

It is felt that if the other branches of city government would readily cooperate with the Board of Health officials, better results might be expected.

FORREST A. SMITH,
Milk Inspector

GENERAL MILK INSPECTION STATISTICS

Classification of dairies according to score. Several were below 60% when first inspected but on second inspection were above.

Score	60-65%	65-70	70-75	75-80	80-85	85-90
Number	21	23	51	6	3	5
Samples of milk and cream analyzed						211
Samples unsatisfactory (high bacteria counts)						12
Samples unsatisfactory (too much dirt)						23
Samples unsatisfactory (below standards)						9
Inspection details						
Stores, restaurants, etc., inspected						95
Stores, restaurants, etc., re-inspected						10
Wagons and trucks (milk) inspected						81
Visits to dairies						209
Dairies scored						95
Visits to creameries						17
Licenses						
Number of licenses granted to stores, etc						83
Number of licenses granted to producers, dealers						85

Number of licenses held up for improvements by producers	12
Number of licenses granted to dealers	11
Number of licenses refused	1

MATERNITY CLINIC

The State Board of Health, Division of Maternity, Infancy and Child Hygiene in cooperation with the County Commissioners has conducted a monthly clinic at the Laconia Hospital for expectant mothers who were not under the care of a physician.

Total attendance	99
New patients	49
Prenatal	82
Postnatal	15
Others	2

Dr. J. Russell Perley is the physician in attendance.

Transportation has been provided by the Woman's Clubs of Lakeport and Laconia.

CHILD HEALTH CONFERENCE

The State Board of Health, Division of Maternity, Infancy and Child Hygiene conducted a Child Health Conference in Lakeport October 17th in cooperation with the Woman's Club.

Children examined under 1 year of age	8
Children examined 1 to 6 years of age	78
Children with physical defects	74
Number defects found	122
Number defects corrected	8

The examining physicians were Dr. E. J. Gage, Dr. Philip LaFrance, Dr. Armand Normandin, and Dr. R. W. Robinson.

VIVIAN M. JENNINGS,

Field Nurse.

REPORT OF LIBRARY TRUSTEES

To the Honorable Mayor and Members of the City Council:

GALE MEMORIAL LIBRARY

During the past few years we have all been united in the thought that economy should be practiced in every possible way in the management of municipal affairs. While this curtailing was necessary, it has wrought hardship in some departments, especially in the work of libraries. If they have appropriated only enough to pay the actual expense for maintenance, and a meagre allowance for the purchase of new books the usefulness of such a library must soon be crippled.

Those out of employment need and should have something to occupy their time and how better can their time be employed than in reading good books. With the large increase in circulation books wear out very fast and libraries must have funds to keep up the supply and in addition readers should have the new books that are constantly being issued.

It is the hope of your trustees that in the coming year a reasonable increase will be made in the appropriation.

In the purchase of new books we welcome your suggestions and continue to ask the advice and co-operation of all who are interested in the work of our library.

Those living today who knew Napoleon B. Gale to whom we are indebted for the gift of our beautiful library building and the large fund so helpful in the work of its maintenance will best appreciate this rich heritage. His life was spent in saving and we who are living today are richly benefited by his frugality. Do we not owe him some recognition? How can we better pay tribute to his memory than by appropriating a sum sufficient to enable your trustees to keep your library in good repair.

A TRIBUTE TO STANTON OWEN

For many years he was closely identified with the work of our libraries, always interested and helpful, discharging faithfully and well every duty that required his attention. He was a good citizen, loved and respected by a wide circle of friends and in his death the City of Laconia has met with a great loss. He will be greatly missed by those who were associated with him on our board of trustees. His advice and assistance were always helpful in the management of the affairs of our library.

He held many positions of trust and responsibility, and in the discharge of every duty that was entrusted to his care not a word was ever spoken that would in any way reflect on his honor or honesty.

The life lived by him was a power for good in this community and its influence will be felt by many who will live in the years that are to come.

REPORT OF THE TREASURER

To the Board of Trustees of the Laconia Public Library:

I herewith submit my report as treasurer of the Laconia Public Library for the year ending February 15, 1934, as follows:

Cash on hand February 15, 1933	\$49.50

STATEMENT OF TRUST FUNDS

Amount of Trust Funds on hand Feb. 15, 1933	\$41,088.59
Trust funds received during year	1,475.00
	<hr/>
	\$42,563.59
Principal of Trust Funds on hand in City Bonds	\$18,000.00
Principal of Trust Funds on hand in Savings Bank	24,413.59
Principal of Trust Funds on hand in Laconia	
Water Stock (2 shares)	100.00
Principal of Trust Funds on Hand, 1 Liberty bond	50.00
	<hr/>
	\$42,563.59

The Trustees will do all they can to secure the best of care for the lots in their charge, but at the present time, when even cemeteries are operated under the NRA and at the same time the banks are no longer paying 4% dividends, the lots with the smaller trust funds may not go through the season looking as well as one might wish, but the public may rest assured that it is the trustees aim to please as far as it is humanly possible.

OSCAR L. HOYT, Chairman.

CARL F. BLAISDELL,

LILLIAN PAGE DOW, Sec. & Treas.

FIRE DEPARTMENT

To His Honor the Mayor and City Council:

During the year 1933, the Fire Department responded to two hundred fourteen calls for fire over the telephone; fifty-nine bell alarms, rung in from boxes on the system and twenty-nine out of town calls.

Two false alarms were rung in.

A large percent of these fires were caused from defective chimneys. There are a number of chimneys in tenement houses that should be built over. They are a fire hazard to nearby buildings.

The fire-fighting equipment will need a lot of repairs this coming year. The fire alarm system will also require some replacements.

The buildings will have to be repaired and painted.

A small amount of fire fighting equipment should be purchased each year. We must have rubber coats, fire hose and chemical supplies. A reasonable appropriation should be made each year so that the city would not have to appropriate a large amount of money any year.

LIST OF FIRE APPARATUS

LACONIA STATION

One American LaFrance pumper and hose wagon, capacity seven hundred and fifty gallons per minute.

One American LaFrance city service ladder truck.

One Combination Chemical hose wagon with portable pumper attached.

Three thousand two hundred feet of two and a half inch hose.

One thousand seven hundred feet of one and a half inch hose.

LAKEPORT STATION

One American LaFrance six hundred gallon pumper and hose wagon.

One Seagrave ladder truck city service type.

Four thousand two hundred feet of two a half inch hose.

THE WEIRS STATION

One Combination chemical and hose car.

Seventeen hundred and fifty feet of two and half inch hose.

The city's fire alarm system is the Gamewell system with fifty-eight boxes. A compressed air whistle system gives the alarm.

As Fire Chief my officers and firemen appreciate the cooperation and support we get from Chief Hubbard and his men in discovering fires and helping to extinguish them. With these two departments working together we will be able to make a good showing preventing serious fires in our city.

We also appreciate the interest our Mayor and City Council have in our department. We commend them for the good work they are doing to keep all departments of our city efficient.

ARTHUR W. SPRING,
Chief of Fire Department.

EARL FLANDERS,

Registrar

BOARD OF PUBLIC WORKS

Laconia, N. H., February 15, 1934

To The Honorable Mayor and City Council:

We hereby submit the thirty-third annual report of the Board of Public Works together with the report of the City Engineer and Superintendent of Streets and Sewers which sets forth certain recommendations and a detailed account of all receipts and expenditures.

In so far as possible the routine maintenance work has been carried forward assisted somewhat by labor furnished by the Relief Department, but cuts in appropriations, necessary, probably for the time being, have had serious effect especially in maintenance of Macadam Streets and the upkeep of concrete sidewalks.

The City of Laconia has a large investment in improved streets and sidewalks which should be protected by adequate maintenance. It is not economy to allow the street surfaces to disintegrate and the sidewalks to become rough and broken.

Whether any new construction is attempted or not, a sufficient appropriation for maintenance is, in our judgment, absolutely imperative.

In July, 1932, we issued an order cutting wages practically ten per cent, affecting all connected with the Department and have operated on this basis since that time. We have also effected still further reductions by cutting hours of labor in many cases.

We are of the opinion that the time has come when these cuts should be cancelled and wages restored.

The collection of ashes and waste has been conducted under the terms of a contract since last May, and the result of this arrangement has been very satisfactory thus far.

Omission of the customary appropriation for graveling streets in the outlying districts last year was supplied by an apportionment from the State E. R. U. funds for Class Five roads and approximately the same amount is expected to be available for this purpose the ensuing year.

The Board recommends the following general appropriations for the ensuing year:

Bridge Repairs and Maintenance	\$ 700.00
Cleaning Catch Basins	1,500.00
Cleaning Streets	3,400.00
City Engineering	1,600.00
Cutting trees, grass, brush, etc	900.00
Insurance	800.00
Highways and Bridges	17,000.00
Maintenance of Macadam	4,500.00
Drain repairs and maintenance	1,200.00
Sanding sidewalks	1,500.00
Collection of Ashes and Waste	5,000.00
Sewer Maintenance	3,600.00
Street Oiling	9,500.00
Recovering Sidewalks	2,800.00
Winter Expenses	17,000.00
Purchase of Equipment	2,000.00
	<hr/>
	\$73,000.00

Respectfully submitted,

HARRY L. SMITH,
OSCAR L. HOYT,
WILLIS G. WATSON,

REPORT OF THE STREET, SEWER AND ENGINEERING DEPARTMENT

To the Board of Public Works:

Gentlemen:

The following is presented as the report of the Public Works Department for the year ending February 15, 1934.

FINANCIAL STATEMENT

Department	Balances & Appropriations	Rec'ts & Transfers	Total Credits	Total Expended	Unexp'd Balances

*Indicates an overdraft

BRIDGES

We were able to paint the Fair Street and Messer Street bridges using welfare labor mainly.

The foot bridge at Gold Street was also attended to. No other extensive bridge repairs were needed.

DRAINS

Drains were built on Warren Street, Elliott Street, Butler Street, and on Marsh Hill Road as Civil Works projects. The cost was mainly carried by the Federal Government.

Repairs and maintenance of all drains were attended to.

GRAVELING ROADS

An allotment of \$8,365.14 was made by the State to put a gravel surface on Class 5 roads in this city and this sum was expended on the following roads: Smith Road, Roller Coaster Road, Morgan Road, Watson Road, Pitman and Blueberry Road, Hilliard Road, White Oaks Road, Bean Road, Trojano Road and Woodland Avenue. About six miles of road surface was covered.

COLLECTION OF ASHES AND WASTE

A contract for the collection of the ashes and waste of the city was awarded to Mr. William G. Hamilton on May 18th and satisfactory service has been rendered by him. The cost to the city is less than the cost under the old method of collection.

SIDEWALKS

1635 square yards of bituminious sidewalks were re-covered and 2205 square yards of new sidewalk were laid on Bowman Street, Union Avenue, Lovell Street and Tower Street.

MEREDITH-PARADE ROAD

An appropriation of \$5,000 made by the State Legislature and \$2,500 made by the City enabled us to construct a section of this road. Drains and culverts were installed and a substantial gravel surface was built. This section of road should have a tar surface early in the season.

GENERAL

The curtailed appropriations for various items of maintenance were helped out by labor furnished us by the welfare department. It is estimated that 20,122 hours work amounting to \$6,707.50, at $.33\frac{1}{3}$ per hour were furnished from this source. This work was rendered by men who were receiving aid from the city and the city got something in return for the necessary expenditure.

We were able to exchange two of our oldest trucks for modern trucks equipped with snowplows which is a great help to the department and a saving in the cost of snow plowing.

Respectfully submitted,

CHARLES A. FRENCH,
City Engineer, Supt. of Streets and Sewers

(*) The sewer on Stark and St. Catherine Sts. was built as a CWA project and cost not included.	
Length of Sanitary Sewer System	30.79 miles
Length of Surface Water Drains	24.44 miles

CITY SOLICITOR'S REPORT

To the Honorable Mayor and City Council, Laconia N. H.:

Gentlemen: The work of your Solicitor has this year been confined mostly to the trial and disposal of Police Court cases and the rendering of opinions to City officials.

There are now pending on the docket two cases in which the City is involved; one is a case against the County to recover for money expended for the support of a pauper by the overseer of the poor during the years from 1924 to 1928 inclusive under a mistaken impression that the matter was a City charge. This case is in the Supreme Court, briefs have been filed and it will be argued March 6th, 1934. The other suit is the City's petition vs. Morris Zurlnick to abate a nuisance on Messer street.

The cases of Rebecca Houle vs. City of Laconia, and Joseph Bolduc vs. City of Laconia have recently been dismissed, which leaves only one case on the docket.

The hearing on the petition of the Boston & Maine railroad to discontinue it's train service on the Lakeshore route was attended by your Solicitor.

Several weeks time was spent preparing the City's application to the Federal Administration of Public Works under the provisions of the National Recovery Act, for a grant and / or loan of \$164,000 for the erection of a Mechanic Arts High School Building. The application was submitted during January and is now awaiting action at Washington.

My office is always open to those of the Public who seek advise on City Matters.

Respectfully submitted,

HAROLD E. WESCOTT,
Solicitor.

POLICE DEPARTMENT

REPORT OF POLICE COMMISSIONERS

To the Honorable Mayor and City Council:

We respectfully submit the report of The Police Commission and Chief of Police George N. Hubbard for the year ending January 31, 1934.

You appropriated \$22,000 for the use of The Police Department during the year 1933. Later, however, it became advisable to put the officers on eight hour shifts to conform with the NRA. You therefore instructed us to overdraw our appropriation. We returned approximately \$5,000 to the City Clerk in fines, costs and witness fees. We also paid money to the state from fines for motor vehicle violations and to the county from part of the fines for liquor violations.

During the year we purchased an automobile which is operated every night for patrol work. This has greatly increased the efficiency of the department. We would especially call your attention to the fact that the department maintains all traffic, office and station lights as well as marking and keeping painted the automobile parking spaces. All repairs of equipment, stations and office are included in our expenses. Food for prisoners is no small item.

A casual glance of our financial report will show that the actual cost of our department after deducting the amount returned to the City Clerk was approximately \$18,500.

We respectfully urge your careful reading of the Chief's report which gives a comprehensive report of the services rendered by The Police Department.

CHARLES J. PITMAN,
CLARENCE E. ROWE,
JOHN M. GUAY,

Police Commission

Clarence S. Newell, treasurer, cash	4,355.28
	<hr/>
	\$4,534.61

Respectfully submitted,

EARL FLANDERS,
Clerk

REPORT OF OVERSEER OF THE POOR

To the Honorable Mayor and City Council:

Gentlemen :

I herewith submit my report as Overseer of the Poor for the year ending February 15, 1934.

The greater part of the calls for aid have been from the unemployed, who have asked for work rather than for the regular relief. Through the efforts of Mayor Carroll, a large amount of Federal money has been allotted to Laconia for public works, which have given employment to heads of families, enabling them to earn part of their living expenses.

Calls for old age assistance have increased so rapidly that legislative action should be taken to protect the small home owner from being over taxed to support an element of society, many of whom have apparently made no effort to provide for old age.

Through Federal decree, many disabled veterans have been deprived of their pensions, which were their only means of support, and being unable to work, have been forced to ask for relief.

Since July first, 1933, all relief work has been under state supervision, the city paying 25 per cent of relief cost, and the remaining 75 per cent being paid from federal and state funds.

For detailed information, refer to the financial report.

Respectfully submitted,

A. C. S. RANDLETT,
Overseer of Poor

REPORT OF TREE WARDEN

To His Honor the Mayor and City Council:

The shade trees on the different streets are drying up and becoming decayed. The cause is old age, lack of moisture, tree insects and blight. Another reason is because there is not room enough between the sidewalk and street curb for a shade tree to grow.

A number of shade trees will have to be removed before they cause damage to buildings in high winds.

A small appropriation should be made each year for tree work.

ARTHUR W. SPRING,
Tree Warden.

PARK COMMISSION

To the Mayor and Council of the City of Laconia:

Gentlemen: The Park Commission is pleased to submit for your consideration its nineteenth annual report.

The Opechee Park Playground was once more under the supervision of Mr. Reginald Clement and Miss Anna Collin; though the season was of a less number of weeks on account of funds, the attendance was larger than ever before.

In order that our citizens may get the proper picture of the activities at the parks we are presenting the reports of the Supervisors in full.

To the Park Commissioners:

OPECHEE PARK PLAYGROUND REPORT 1933

DAILY PROGRAM—MORNING

9:00 to 9:15—Flag raising; distribution of equipment.

9:15 to 10:00—Tournament games in horse shoes, checkers, jack knife, etc.; catch.

9:15 to 12:00—Tennis

10:00 to 11:30—Baseball (scrub games); catch.

Monday and Wednesday, Junior baseball team practice.

Wednesday and Friday, Senior baseball team practice.

10:00 to 11:00—Tuesday, Thursday and Saturday, swimming lessons for beginners only.

11:30 to 12:00—Free Play.

12:00—Park closes.

AFTERNOON

1:30 to 2:30—Volley ball, tennis, baseball (scrub games).

2:30 to 4:00—Announcements at the water front. Swimming for all. Tennis for "Outsiders."

4:00 to 4:30—Baseball (scrub games). Tennis for youngsters. Volley ball for girls.

4:30 to 5:00—Free Play.

5:00—Flag salute and closing.

SPECIAL DURING LAST FOUR WEEKS

3:00 to 4:00—Daily instruction for Life Saving, both Seniors and Juniors.

SEASON'S PROGRAM

Week of July 10th—Organized horse shoe tournaments, checker tournaments and baseball teams for both Seniors and Juniors. Cleaned up underneath grandstand, numbered all the equipment, picked up paper on the grounds and cleaned the waterfront. Put platforms in the water, and barrels under float.

Week of July 17th—Ended first round for horse shoes and checkers. Horse shoe tournament won by Norman Dupuis and checker tournament won by Valmore Dickson. Jack knife tournament started.

Weeks of July 24th—First Jack Knife tournament ended with Peter Grabowski the winner. Roland Gagne won second round in horse shoe tournament and Lawrence Hopkins won second round in checkers. On Thursday, at 2:00 p. m., a doll carriage parade was held in front of the grandstand with 18 contestants entered. On Saturday morning, the Baptist church members held a picnic, about 80 children attending.

Week of August 1st—Mr. Wallace, the Government Park Inspector, Mr. Dunlap, Dr. Rowe, Chief of Police George Hubbard and Mr. O'Shea drove over to the park and gave it a thorough inspection in regards to improvements to be made at a future date. On Thursday, at 2:00 p. m., a bathing beauty contest was held. Fourteen young girls were entered.

Week of August 7th—Opechee Park Senior baseball team defeated Leavitt Park at Lakeport, 22-1. Opechee Park Junior Baseball team was defeated by Leavitt Park at Laconia, 20-11. On Thursday, a treasure hunt was held at 2:00 p. m. with over 150 children taking part.

Week of August 14th—A Tennis Tournament was held for children under 16 years of age. 19 contestants entered and Bob Fisher won the championship from Ed Stevenson in the finals. Senior baseball team defeated Leavitt Park 14-5 at Laconia. Junior Baseball team lost to Leavitt Park at Lakeport 3-1.

Week of August 21st—Most of this week devoted to a free program. Boys spent most of their time practicing for their field day events, such as sack races, three legged race and half mile run, etc. Life Saving examinations were given by Mr. Peterson on Wednesday and Thursday. Three passed the Junior Life Saving Test. On Friday, over 350 people were present to witness the field day races and events. The day's program closed with a swimming meet. On Saturday morning, prizes were awarded for the Field Day events. The equipment was taken down and stored away.

The playgrounds opened on Monday morning July 10th, 1933. During the first part of the week, the grounds were cleared of old papers, underneath the grandstand was cleaned and the waterfront was also cleaned. Towards the middle of the week, tournaments in horse shoes and checkers were organized and following these, the Senior and Junior baseball teams were organized. During the first week we also started the usual custom of having lunch day on Thursday which again seemed to be enjoyed by a large number of children each Thursday noon.

The point system was used again this year, and was a big help to create enthusiasm in games, especially with the younger children.

Swimming appeared to be a favorite sport. This year, classes were held every Tuesday, Thursday and Saturday morning from 10:00 to 11:00 for those learning to swim only. This class averaged about fifteen members each day. Before the season closed, 68 youngsters passed their beginner's test and received a little Red Cross Beginner's Button. Fifteen others passed the Red Cross Swimmer's Test and also received their buttons. During the last four weeks, instructions were given in the afternoon for those trying to pass their Life Saving Test.

The Tennis Courts seemed to be the most popular spot on the grounds this year. The courts were in much better condition this year which perhaps accounts for their popularity.

There were very few rainy sessions this year to break up the daily programs, but during those days, games were played underneath the grandstand.

LEAVITT PARK

The season of 1933 found an average daily attendance of one hundred seventy-five at Leavitt Park.

Most of the usual activities were carried on with even more enthusiasm than in previous years. Over two hundred children have learned to swim in the last three years. During the summer of 1933, fifty-five beginners won their first buttons, while one Junior Life Saving award and four Senior Life Saving awards were granted by the Red Cross Life Saving Examiner. This feature of our playground is more popular than ever with old and young.

On rainy days the boys did many different things in the woodworking while the girls made spreads, hooked rugs, novelties and miniature gardens.

There were elimination tennis matches with Opechee Park and baseball games with teams from Opechee. One overnight hike to Mt. Belknap was enjoyed by thirty-five boys and girls.

The annual Playground Carnival and the annual Woman's Club Carnival were both very successful ventures during the summer.

The Leavitt fund was expended for grading and leveling all the grounds around the new playground house, and the tennis courts and the baseball diamond were resurfaced. Shrubs were set out around the house; chairs and tables have been purchased. A piano and overdrapes for all the windows of the house were purchased with money left over for several years in the treasury of the old Leavitt Park and Playground Association.

A four team Twilight League played eighteen games of baseball at which the average attendance was one hundred seventy-five.

The same efficient directors, Mr. Charles Peterson and Miss Esma Ford had charge of this most successful season of Leavitt Park Playground.

The South End Playground supervised by Miss Helen Ford, had a very successful season, the attendance was good and this playground in common with the others of our city seemed to be better appreciated by the parents of the children who attended.

Your commission is unable to suggest the amount of the appropriation you should make for next season, as only by hearsay are we informed as to what changes are to be made at Opechee Park. If such changes are made as we hear about, not only will a considerable amount of money have to be expended this year, but the appropriation each year will have to be much larger on account of the extra upkeep.

The Commission and Instructors wish to extend their thanks to the Mayor and Council for their appropriation and to the public for their cooperation.

Respectfully submitted,

ALFRED C. WYATT,
BERNICE M. SEAVERNS,
C. E. ROWE,
W. E. DUNLAP,
ELIZA J. SOULE,

Park Commissioners

MEMORIAL DAY

To the Honorable Mayor and City Council, of the City of Laconia:

The following is an itemized account of the money spent on Memorial Decoration Day, by the Veteran Organizations of the City of Laconia.

Flags	\$28.90
Grave Markers, American Legion	10.50
Envelopes and postage	8.55
Printing Programs	11.50
Bus	4.00
Printing General Orders	6.00
Flowers	6.25
Vocal music	10.00
Trucking	2.00
Drum Corps, American Legion	60.00
Express, Grave Markers, American Legion	.60
Grave Markers, U. S. W.	9.00
Aluminum Paint for Markers	1.00
	<hr/>
	\$158.30
Credit for unused envelopes	.50
	<hr/>
	\$157.80

Owing to the rainy weather on Memorial Decoration Day, it was necessary to cancel some of the arrangements, which if carried out would have used approximately all the balance.

Attached herewith please find twenty-seven dollars and twenty cents, (\$27.20) unused part of the appropriation, which is returned to the City of Laconia.

Respectfully

FRED R. PETHERICK, Chairman,
Frank W. Wilkins Post No. 1,
American Legion

Lakeport, N. H.

Respectfully submitted,

EARL FLANDERS,
City Clerk.

GARDENS REPORT

To His Honor and City Council:

It gives me pleasure to report a good investment the city has made in year 1933 in 58 gardens.

Potato yield, 611 bushel at .90		549.90
Paid out for plowing and harrowing	53.42	
Seed potatoes	58.40	
Phosphate and small seeds given by the State of New Hampshire	205.00	
	<hr/>	\$316.82
		<hr/>
		\$233.08

The gardens have been faithfully cared for in spite of weather conditions and garden pests. Besides the potato yield, tables were supplied with fresh vegetables during the summer and canned goods made for winter use.

Respectfully submitted,

OSCAR L. HOYT.

AUDITOR'S REPORT

To the Honorable Charles E. Carroll, Mayor, and the City Council, Laconia, New Hampshire.

Gentlemen :—

As per my appointment as City Auditor, I have audited the financial accounts of the City of Laconia for the fiscal year ending February 15, 1934.

I present herewith the following Statements showing the financial condition of the City as at February 15, 1934, the appropriation accounts and the Excess and Deficiency credits and debits during the year.

Exhibit I—Appropriation Accounts year ending Feb. 15, 1934.

Exhibit II—Excess and Deficiency Account.

Exhibit III—Balance Sheet as at Feb. 15, 1934.

Exhibit IV—Serial Debt as at Feb. 15, 1934.

The following items appearing in the balance sheet are commented upon as follows:

ASSETS

<i>Cash</i>	\$23,926.23
-------------	-------------

The cash balance was verified by the various bank Statements and compared with the City Clerk's ledger.

<i>Accounts Receivable—Taxes</i>	\$45,972.23
----------------------------------	-------------

The Collector's records of unpaid taxes were examined and lists were drawn therefrom and compared with the controlling account in the City Clerk's ledger. Statements were also sent to the tax payers and were verified. The commitment of taxes for 1933 and additional taxes for 1933 were examined. All abatements of taxes were supported by properly approved vouchers from the Assessors.

Property Sold City for Taxes \$15,573.48

During the year the City purchased unpaid taxes assessed on real property as per the lists.

LIABILITIES

Miscellaneous Liabilities \$979.87

This amount is composed chiefly of various items due individuals for damage claims.

Motor Vehicle \$6,802.78

This was found to be in agreement with the City Treasurer. The total amount collected for the year also agreed with the records of the treasurer.

Leavitt Fund \$226.92

The disbursements were fully vouched for.

Overlay for Abatements \$434.29

This account represents the balance of an overlay provided as a reserve against tax abatements that may arise.

Notes \$50,000.00

This loan was made necessary on account of delinquent tax payers and was needed to meet the current expenditures of the city.

Unexpended Appropriations \$35,001.75

Appropriations made for the year under review were verified with the records of the City Council. The treasury warrants and special drafts were properly approved and verified all payments made during the year. The transfers to balance off appropriation accounts were found properly voted for by the Mayor and City Council.

Excess of Current Assets over Current Liabilities \$13,782.50

This shows a net gain for the year ended February 15, 1934, with no new bonds issued.

Exhibit II of this report shows the credits that accrued and the debits arising from the account for the year.

Serial Debt

The Serial Debt outstanding at February 15, 1934 is detailed in Exhibit IV of this report. There has been a consistent reduction of the debt for five years. The Serial payments of Bonds were examined covering the debt matured during the year.

Cemetery Funds

The Cemetery trust funds were invested as follows:
\$18,000.00 par value City of Laconia 4% Serial

Notes	\$18,000.00
Savings Bank Accounts	24,413.59
2 Shares Lac. Water Co. Capital Stock	100.00
First Liberty Loan Bond	50.00

Total Principal	\$42,563.59
-----------------	-------------

Balance Unexpended income in Sav-
ings Banks Accounts

3,432.72

\$45,996.31

The Securities and pass books of the various banks properly accounted for the funds. The expenditures from the interest arising from the trust funds were properly vouched for. The income and disbursements of all trust funds were properly recorded on the trust fund records.

Library Trust Funds

The books of the treasurer were examined. The Securities and pass books were examined and found to properly account for the funds. The balance of the commercial deposit was verified with that of the depository.

I wish to express my appreciation for the courtesies extended by the various departments during my examination.

CHARLES F. AYERS,

Auditor.

CERTIFICATE

I hereby certify that the accompanying Balance Sheet and Statement of Serial Debt reflect the financial condition of the City of Laconia, as disclosed by its books at the close of the fiscal year ended Feb. 15, 1934. I further certify that I have audited the income and expense accounts of the City for the year under review and have found them correct as set forth in my report submitted herewith.

CHARLES F. AYERS,

Auditor.

SUMMARY OF VITAL STATISTICS

Number of births	272
Number of marriages	125
Number of deaths	186
Number of deaths occurring at Belknap County Farm	9
Number of bodies brought here for burial	57

By Chapter 106, N. H. Laws of 1917, the Clerks of Cities and Towns are required to send a copy of every child's birth certificate to its parents, and if said copy is not received within sixty days from date of child's birth, the parents should notify the City Clerk, in order that same may be placed on record.

Efforts have been made to make the records of vital statistics correct as possible. Should any error or omission be detected, the City Clerk will appreciate the kindness conferred by being informed of the same, that the records of the city may be made right.

EARL FLANDERS, *City Clerk*
